

HIGHTON OPEN SPACE RESERVES – CONCEPT PLAN

COMMUNITY ENGAGEMENT SUMMARY

Feedback on the Highton Open Space Reserves – Concept Plan Phase 1 consultation has closed, thank you to everyone who provided feedback, your contribution is valued and appreciated.

This stage of community engagement was to seek your ideas and priorities for each reserve, and an understanding of how you would like to see them look in the future.

Community feedback is a vital part of our planning. Your feedback will be used to inform the draft concept plan for each reserve.

Over the course of this consultation period the City reached the following achievements.

NEXT STEPS

Phase 1 community engagement is closed for evaluation and review. We will be reviewing your responses and this data will be informing the draft Concept Plan for each reserve. A further engagement report will be released detailing further analysis of the feedback received.

Following development of draft plans there will be a further engagement opportunity for the community to review and provide feedback on the draft concept plans. This is anticipated to take place in November 2022. We look forward to your input.
