# PAKINGTON NORTH PRECINCT COMMUNITY PANEL EOI

We are calling upon community and stakeholders to join our Community Panel that will focus on the future of Pakington North Precinct. The Community Panel will work together to prepare recommendations and directions for the new Urban Design Framework.

An Expression of Interest (EOI) process to select up to 60 participants for the community panel is now open. The recruitment of the community panel will be completed independently by Capire Consulting Group.

We are looking for participants from different backgrounds as we want to hear from a diverse range of voices. This includes residents, business owners and visitors of all ages and genders, from different locations, housing backgrounds and family compositions.

The community panel will come together over six in-person sessions in early 2024.

## Register your interest

- Scan the QR code or visit [yoursay.geelongaustralia.com.au/pakonorthcommunitypanel](https://yoursay.geelongaustralia.com.au/pakonorthcommunitypanel) to complete an EOI.
- Submit your EOI by 11.59pm, Wednesday 6 December.
